

# ePCTs in the AI Revolution: Balancing Innovation With Responsibility

Moderator: Adrian Hernandez, MD, MHS

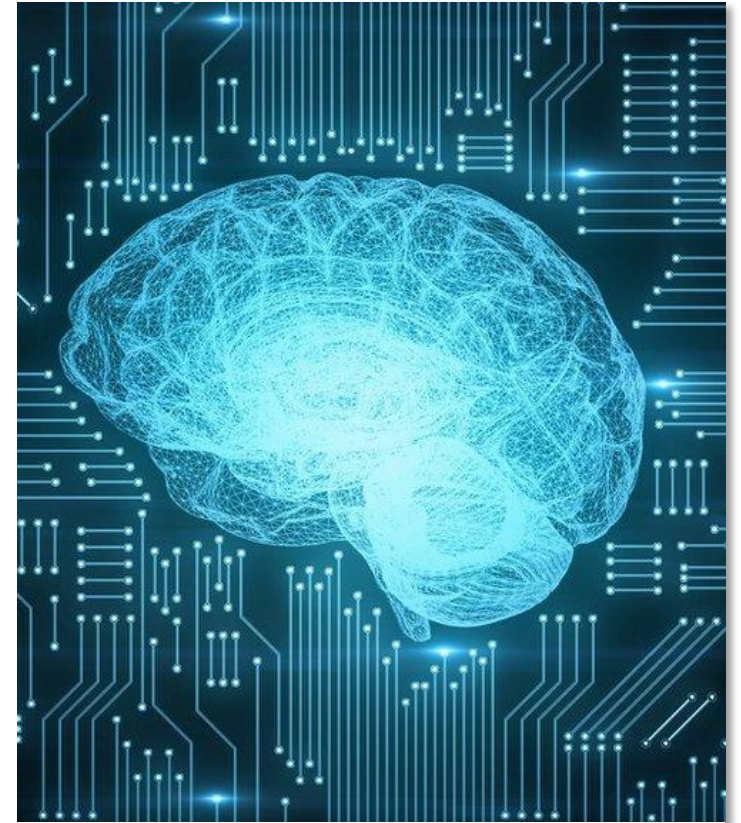

**NIH PRAGMATIC TRIALS  
COLLABORATORY**

Rethinking Clinical Trials®

# Why We're Here

- Share new and emerging AI **capabilities** with the potential to transform ePCTs
- Discuss **ethical considerations** associated with AI use in research, such as when a human should be in the loop
- Describe challenges and areas of **uncertainty** for ePCTs in the era of AI

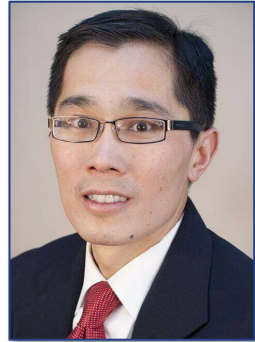

# Our Pioneers

## Presenter

**Emily O'Brien**  
*Co-Chair, PCO Core*

**Michael Ho**  
*Chat 4  
Heart Health*

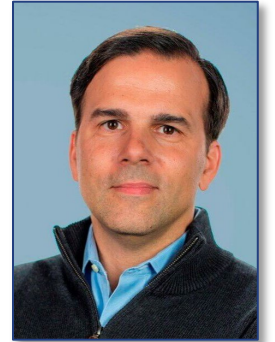

**Guilherme  
Del Fiol**
