

Digging Into Dilemmas of Pragmatic Clinical Trials

A VIRTUAL WORKSHOP | Join us for a free workshop on November 4 and 5, 2025, as we share knowledge from the NIH Pragmatic Trials Collaboratory and explore emerging issues to advance pragmatic research that benefits providers and recipients of healthcare. The workshop will feature a keynote presentation from Dr. David Zaas, president of Atrium Health Wake Forest Baptist.

Day 1: November 4, 2025; 10:00 am–2:00 pm ET

Welcome and Introductions

10:00 am ET

Wendy J. Weber, ND, PhD, MPH
National Center for Complementary and
Integrative Health

Helene M. Langevin, MD
Director, National Center for Complementary and
Integrative Health

KEYNOTE PRESENTATION

The Landscape of Healthcare in America: Gaps and Opportunities (That Researchers Need to Hear)

10:10 am ET

David W. Zaas, MD, MBA
President, Atrium Health Wake Forest Baptist
Professor, Wake Forest University School of Medicine

Understanding the Needs and Priorities of Health Systems Across Communities

10:55 am ET

Cherise B. Harrington, PhD, MPH—moderator
North Carolina Central University

Rachel Gold, PhD, MPH
OCHIN

Ann M. Sheehy, MD, MS
Health Resources and Services Administration

Aimee R. Eden, PhD, MPH
Agency for Healthcare Research and Quality

Caleb C. Holtzer, MD, MPH
Providence Northwest Washington Medical Group

Sebastian T. Tong, MD, MPH
University of Washington

Realizing the Potential of Platform Trials

12:35 pm ET

Adrian F. Hernandez, MD, MHS—moderator
Duke University

Gregory Levin, PhD
Food and Drug Administration

Christopher Lindsell, PhD
Duke University

Marianne Kearney Chase
Massachusetts General Hospital

Martin Landray, MB ChB, PhD
University of Oxford

Bijoy Menon, MBBS, MD, DM, MSc
University of Calgary

Register now!

Day 2: November 5, 2025; 10:00 am–2:00 pm ET

Welcome and Introductions

10:00 am ET

Wendy J. Weber, ND, PhD, MPH
National Center for Complementary and Integrative Health

Helene M. Langevin, MD
Director, National Center for Complementary and Integrative Health

What Do We Learn From Null Pragmatic Trials?

10:10 am ET

Josephine P. Briggs, MD—moderator
Director Emeritus, National Center for Complementary and Integrative Health

Kevin P. Weinfurt, PhD—presenter
Duke University

Corita R. Grudzen, MD, MSHS
Memorial Sloan Kettering Cancer Center

Michael Ho, MD, PhD
Kaiser Permanente Colorado & University of Colorado

Vincent Mor, PhD
Brown University

Miguel A. Vazquez, MD
University of Texas Southwestern Medical Center

What Is the Role of ePCTs in the Age of Artificial Intelligence?

12:20 pm ET

Emily C. O'Brien, PhD—moderator
Duke University

Adrian F. Hernandez, MD, MHS
Duke University

Michael Ho, MD, PhD
Kaiser Permanente Colorado & University of Colorado

Rohan Khera, MD, MS
Yale School of Medicine

Edward R. Melnick, MD, MHS
Yale School of Medicine

Jeremy Sugarman, MD, MPH, MA
Johns Hopkins University

Kenneth Wiley, PhD
National Center for Advancing Translational Sciences
