

Broadcast Notification

In this clinic anonymous information from medical records is used for research. We do this to improve the care we provide. At the same time, protecting your confidentiality is very important to us. Your information is used only by approved researchers. We observe the highest level of data security.

Please let us know if you would not like to have your information shared for research.
Please call us if you want to opt out of sharing your medical records anonymously.
Please call us as well if you have any questions.
