

# More Than Kicking the Tires: Assessing Feasibility in the Planning Phase

Moderator: Angelo Volandes, MD, MPH

**NIH PRAGMATIC TRIALS  
COLLABORATORY**

Rethinking Clinical Trials®

# The Plan

- Discuss how assessing feasibility is not only about meeting milestones
- Share examples of how ePCT researchers can discover and tackle difficult challenges in the planning phase
- Explore benefits and challenges of an in-depth feasibility assessment in ePCTs

"Bad news. That liquid dripping from your new car is lemon juice."
