(See reverse side for Coordinating Center and Core Publications)

The NIH Collaboratory Demonstration Projects are supported by NIH Institutes, Centers, or Offices through either the NIH Health Care Systems (HCS) Research Collaboratory or the NIH HEAL Initiative's PRISM program. The Coordinating Center provides logistical and technical support for all Demonstration Projects. For Demonstration Project publications, please complete these steps, as required by our policies and funding.

## Before Publication

**STEP 01** Choose option A, B, or C for the funding acknowledgment.  
**Option A:** Your work is supported primarily by a Demonstration Project.

**HCS Research Collaboratory Demonstration Projects use the following language:** "This work was supported within the National Institutes of Health (NIH) Health Care Systems Research Collaboratory by cooperative agreement [UG3/UH3 grant number] from the [NIH Institute, Center, or Office providing funding or oversight]. This work also received logistical and technical support from the NIH Collaboratory Coordinating Center through cooperative agreement U24AT009676. **Option B:** Your work is supported jointly by the Coordinating Center (or a Core Working Group) and a Demonstration Project.

**Option C:** Your work has multiple sources of support.

For work with multiple sources of support—such as multiple Demonstration Projects, supplemental funding for specific activities, or support from outside the NIH Collaboratory—email us at [nih-collaboratory@dm.duke.edu](mailto:nih-collaboratory@dm.duke.edu). We're here to help!

**STEP 02** Does your work include a description of another Demonstration Project? If yes, please allow the principal investigator of the other Demonstration Project to review your work. This courtesy

review will be limited to the factual accuracy of your description of their work. Allow at least 2 weeks in advance of your initial journal submission.

Coordinating Center staff can facilitate this process and convey draft manuscripts to Demonstration Project investigators for their confidential review. Email us at [nih-collaboratory@dm.duke.edu](mailto:nih-collaboratory@dm.duke.edu) and include "Manuscript Review" in the subject heading.

**STEP 03** Notify the Coordinating Center. It's easy! Email us at [nih-collaboratory@dm.duke.edu](mailto:nih-collaboratory@dm.duke.edu).

Please allow 1 week for us to review your acknowledgment statement. Coordinating Center staff and the publications committee are also available to provide advice, suggestions, and help with dissemination, as needed.
