**Option C:** Your work has multiple sources of support.

For work with multiple sources of support—such as multiple Demonstration Projects, a collaboration between a Demonstration Project and the Coordinating Center or a Core Working Group, supplemental funding for specific activities, or support from outside the NIH Collaboratory—email us at nih-collaboratory@dm.duke.edu. We’re here to help!

**STEP 02** Does your work include a description of another Demonstration Project?

If yes, please allow the principal investigator of the other Demonstration Project to review your work. This courtesy review will be limited to the factual accuracy of your description of their work. Allow at least 2 weeks in advance of your initial journal submission.

Coordinating Center staff can facilitate this process and convey draft manuscripts to Demonstration Project investigators for their confidential review. Email us at nih-collaboratory@dm.duke.edu and include “Manuscript Review” in the subject heading.

**STEP 03** Notify the Coordinating Center.

It’s easy! Email us at nih-collaboratory@dm.duke.edu.

Please allow 1 week for us to review your acknowledgment statement. Coordinating Center staff and the publications committee are also available to provide advice, suggestions, and help with dissemination, as needed.
