

Advances at the Intersection of Digital Health, Electronic Health Records and Pragmatic Clinical Trials

A GRAND ROUNDS EHR WORKSHOP SERIES

Join us for the NIH Collaboratory's special [Grand Rounds](#) series focused on digital health, electronic health records and pragmatic clinical trials. These webinar sessions on Fridays at 1 p.m. ET will provide insights into how these three facets of healthcare intersect. The special Grand Rounds series will conclude with a podcast discussion from a panel of experts.
