

## Resources for Frequently Asked Questions Health Care Systems Interactions (HCS) Core

Researchers' Questions	Resources
What are the <b>evaluation strategies</b> and <b>implementation literature/frameworks</b> to consider using in ePCT research methods?	<ul style="list-style-type: none"> <li>• <a href="#">Designing With Implementation in Mind</a> (Living Textbook)</li> <li>• <a href="#">Dissemination and Implementation Frameworks</a> (Living Textbook)</li> </ul>
What strategies are there to <b>anticipate changes to the health system</b> while conducting an ePCT?	<ul style="list-style-type: none"> <li>• <a href="#">Monitoring Intervention Fidelity and Adaptations</a> (Living Textbook)</li> </ul>
What strategies can be used to address <b>implementation issues</b> ? <ul style="list-style-type: none"> <li>• Quality improvement and research occurring at same time</li> <li>• Staff turnover (both study team and HCS staff)</li> </ul>	<ul style="list-style-type: none"> <li>• Accounting for Quality Improvement During the Conduct of Embedded Pragmatic Clinical Trials within Healthcare Systems: A Case Report Series from the NIH Collaboratory (in press)</li> <li>• <a href="#">Establishing Close Partnerships With Participating Healthcare System Leaders and Staff</a> (Living Textbook)</li> </ul>
What strategies can be used to <b>keep HCS stakeholders engaged</b> over time and when research is complete?	<ul style="list-style-type: none"> <li>• <a href="#">Building Partnerships to Ensure a Successful Trial</a> (Living Textbook)</li> <li>• <a href="#">Dissemination to Healthcare System Leaders</a></li> </ul>
What <b>advice would HCS leaders</b> give researchers?	<ul style="list-style-type: none"> <li>• <a href="#">Advice from Healthcare System Leadership</a> (Living Textbook)</li> <li>• <a href="#">Real-World Advice for Generating Real-World Evidence</a> (NEJM Catalyst article by Collaboratory HCS partners)</li> </ul>
What strategies and funding are available (i.e., insurance coverage or financial support) to <b>support the uptake and maintenance of interventions</b> after study funding ends?	<ul style="list-style-type: none"> <li>• <a href="#">The Role of Market Forces in U.S. Health Care</a> (NEJM perspective by Michael Chernew)</li> </ul>

Researchers' Questions	Resources
What are some strategies for <b>tailoring dissemination</b> to multiple audiences?	<ul style="list-style-type: none"> <li>• <a href="#">Dissemination Approaches For Different Stakeholders</a> (Living Textbook Chapter with the following sections) <ul style="list-style-type: none"> <li>○ <a href="#">Reporting to the Scientific Community:</a></li> <li>○ <a href="#">Dissemination to Patients</a></li> <li>○ <a href="#">Dissemination to Healthcare System Leaders</a></li> </ul> </li> </ul>
