NIH Health Care Systems Research Collaboratory A Common Fund Initiative

Demonstration Projects

Planning & Implementation of Pragmatic Clinical Trials

Collaboratory Coordinating Center

Support planning and implementation of trials

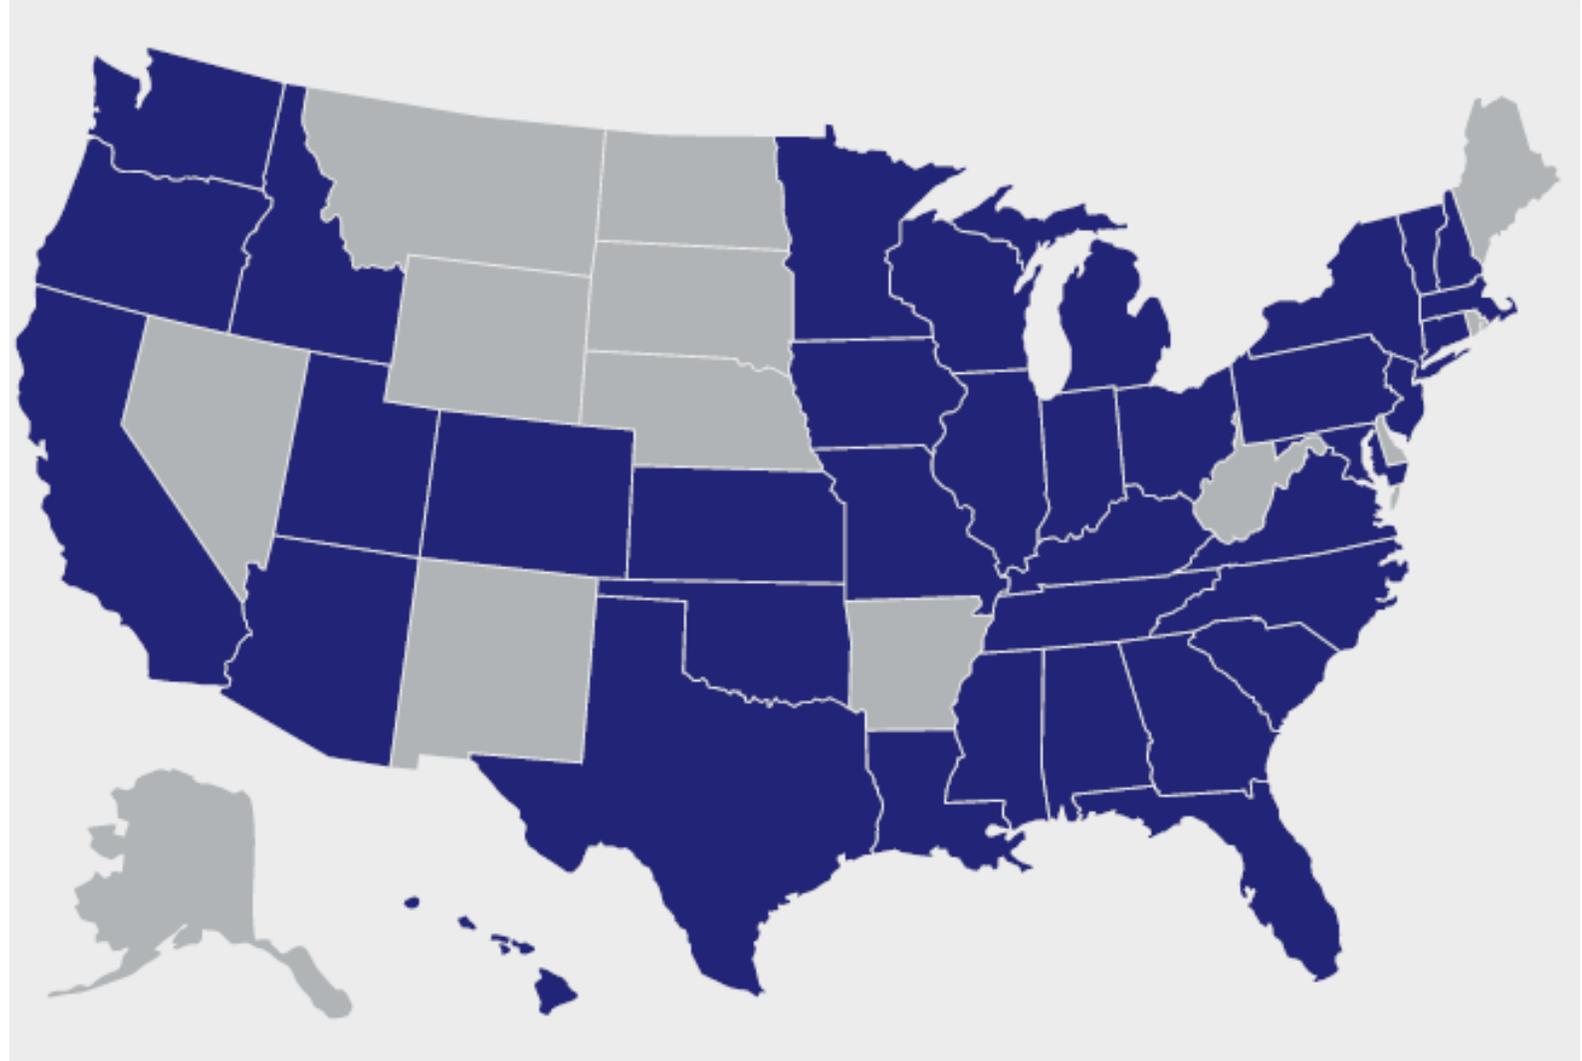

Provide leadership and technical expertise for all aspects of trials

Make tools and resources available to the research community

NIH Collaboratory PCT

- **15 Pragmatic clinical trials**
- **Diverse clinical settings, across 12 NIH Institutes**
- **>850 clinical sites, >80% of the US, >800,000 participants**

The Collaboratory Coordinating Center Leadership

**Adrian Hernandez
Lesley Curtis
Kevin Weinfurt**

Design & Analysis of Embedded Pragmatic Clinical Trials Workshop

- **Keynote Address**
- **Measurement and Data**
- **To Cluster or Not to Cluster?**
- **Choosing a Parallel Group or Stepped Wedge Design**
- **Unique Complications**
- **Summary**

**Please submit questions for the
panelists to:
PragClinTrialsWkshp@mail.nih.gov**
